WORK EXPERIENCE

---

**ACA Computer Integrators**

**Massachusetts**

*Field Service Technician*

*June-August 2021*

- Installed computer systems, both hard and software, at AAAs and RMVs across Massachusetts
- Responsible for removing old systems, installing new ones, updating the software and fixing any problems as they arise alone, while on location
- Worked both individually and with a team of technicians and branch managers daily
- Used command boxes on devices to obtain information on the machine
- Aid branch managers in learning to use the new systems and left contact information should any problems arise

**Greenfield YMCA**

**Greenfield, MA**

*Team Coach*

*2020-Present*

- Coach gymnasts ages 8-16 competitively
- Organize and execute team practices and clinics
- Help coordinate the gyms first ever virtual competition due to Covid-19; maintained CDC guidelines with 20 team members, 5 coaches, 2 judges and 30 parents.
- Promote diversity within our team with athletes of different genders and sexualities, all within women's artistic gymnastics
- Frequently touch bases with directors, co-coaches, parents and athletes regarding their goals and feedback regarding the program
